### IS IT RIGHT

For an Editor to Recommend Patent Medicines?

From Sylvan Valley News Brevard, N. C.

It may be a question whether the editor of a newspaper has the right to recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it our duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and many cases the presence of a doctor would not be required. At least this has been our experience during the past twenty years. Sold by R. C. Hardwick.

A New Yorker recently turned out his one hundred and twenty-seventh patented invention.

Tetter, Salt-Rheum and Eczema.

The intense itching and smarting incident to these diseases, is instantly allayed by applying Chamberlain's Eye and Skin Ointment. Many very bad cases have been permanently cured by it. It is equally efficient for itching piles and a favorite remedy for sore nipples, chapped hands, chilblains, frost bites and chronic sore spots. 25 cts. per box. For sale by R. C. Hardwick.

More street cars are manufactured in St. Louis than at any other point in the world.

B. drains the poison out of the system so the symptoms cannot return. At the same time B. B. B. builds up the broken down constitution and improves the digestion. So sufferers may test B. B. B. a trial bottle will be given away free of charge.

B. B. B. for sale by druggists at \$1 per large bottle, or 6 large bottles (full treatment) \$5. Complete directions with each bottle. For trial bottle, address **BLOOD BALM CO.**, Atlanta, Ga. Describe trouble and free medical advice given.

### Freezing Weather in July

Would cause great discomfort and loss, but fortunately it is seldom known. A vast amount of misery is caused at this season, however, by impoverished blood, poor appetite and general debility. These conditions may be remedied by enriching the blood and toning the stomach with Hood's Sarsaparilla. This medicine seems to put new life into the whole physical system, simply because of its wonderful power to purify, enrich and vitalize the blood, create an appetite and invigorate the digestive functions. We advise you to get a bottle and try it if you are not feeling just right. It will do you more good than a six weeks vacation. It is the best medicine money can buy.
